

**FBFA Series**  
**Ferrite Bead**  
**Size 4030**

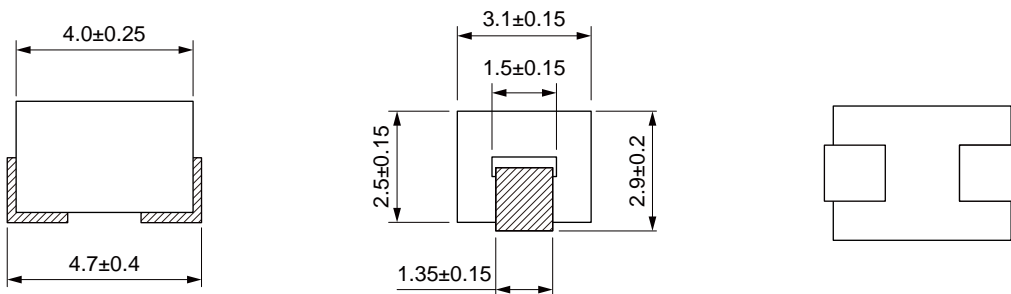

**FEATURES**

- 
- AEC-Q200 qualified
- Operating temperature: -55 to +125 °C (including

**APPLICATION**

- Power Line filter for body controls, electromotor and car multimedia etc.

Dimensions: [mm]

Electrical Properties:

A	( )	( )	A (m )	△ A C	△ A C

Typical Electrical Characteristics:

Impedance VS Frequency
